**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who uses Sonic internet, a small ISP who uses UNEs to provide me with my service. This is the only service I am able to use aside from at&t and Verizon, which is a pitiful lack of variety. I use this service as they are the only ones who refuse to sell my internet browsing data to third parties, and who refuse to throttle my network on the basis of commercial interests. Internet is a critical service for me, and any price hikes would negatively affect me. I am appalled by your attempts to stifle competition and your recent actions with regard to net neutrality. Please stop trying to undermine competition in this service space. Your behavior is risible.
